

NUMBER 131 SIXTY-ONE

Centralian

THE CENTRALIAN

SARGENT CENTRAL HIGH

SARGENT COUNTY, NORTH DAKOTA

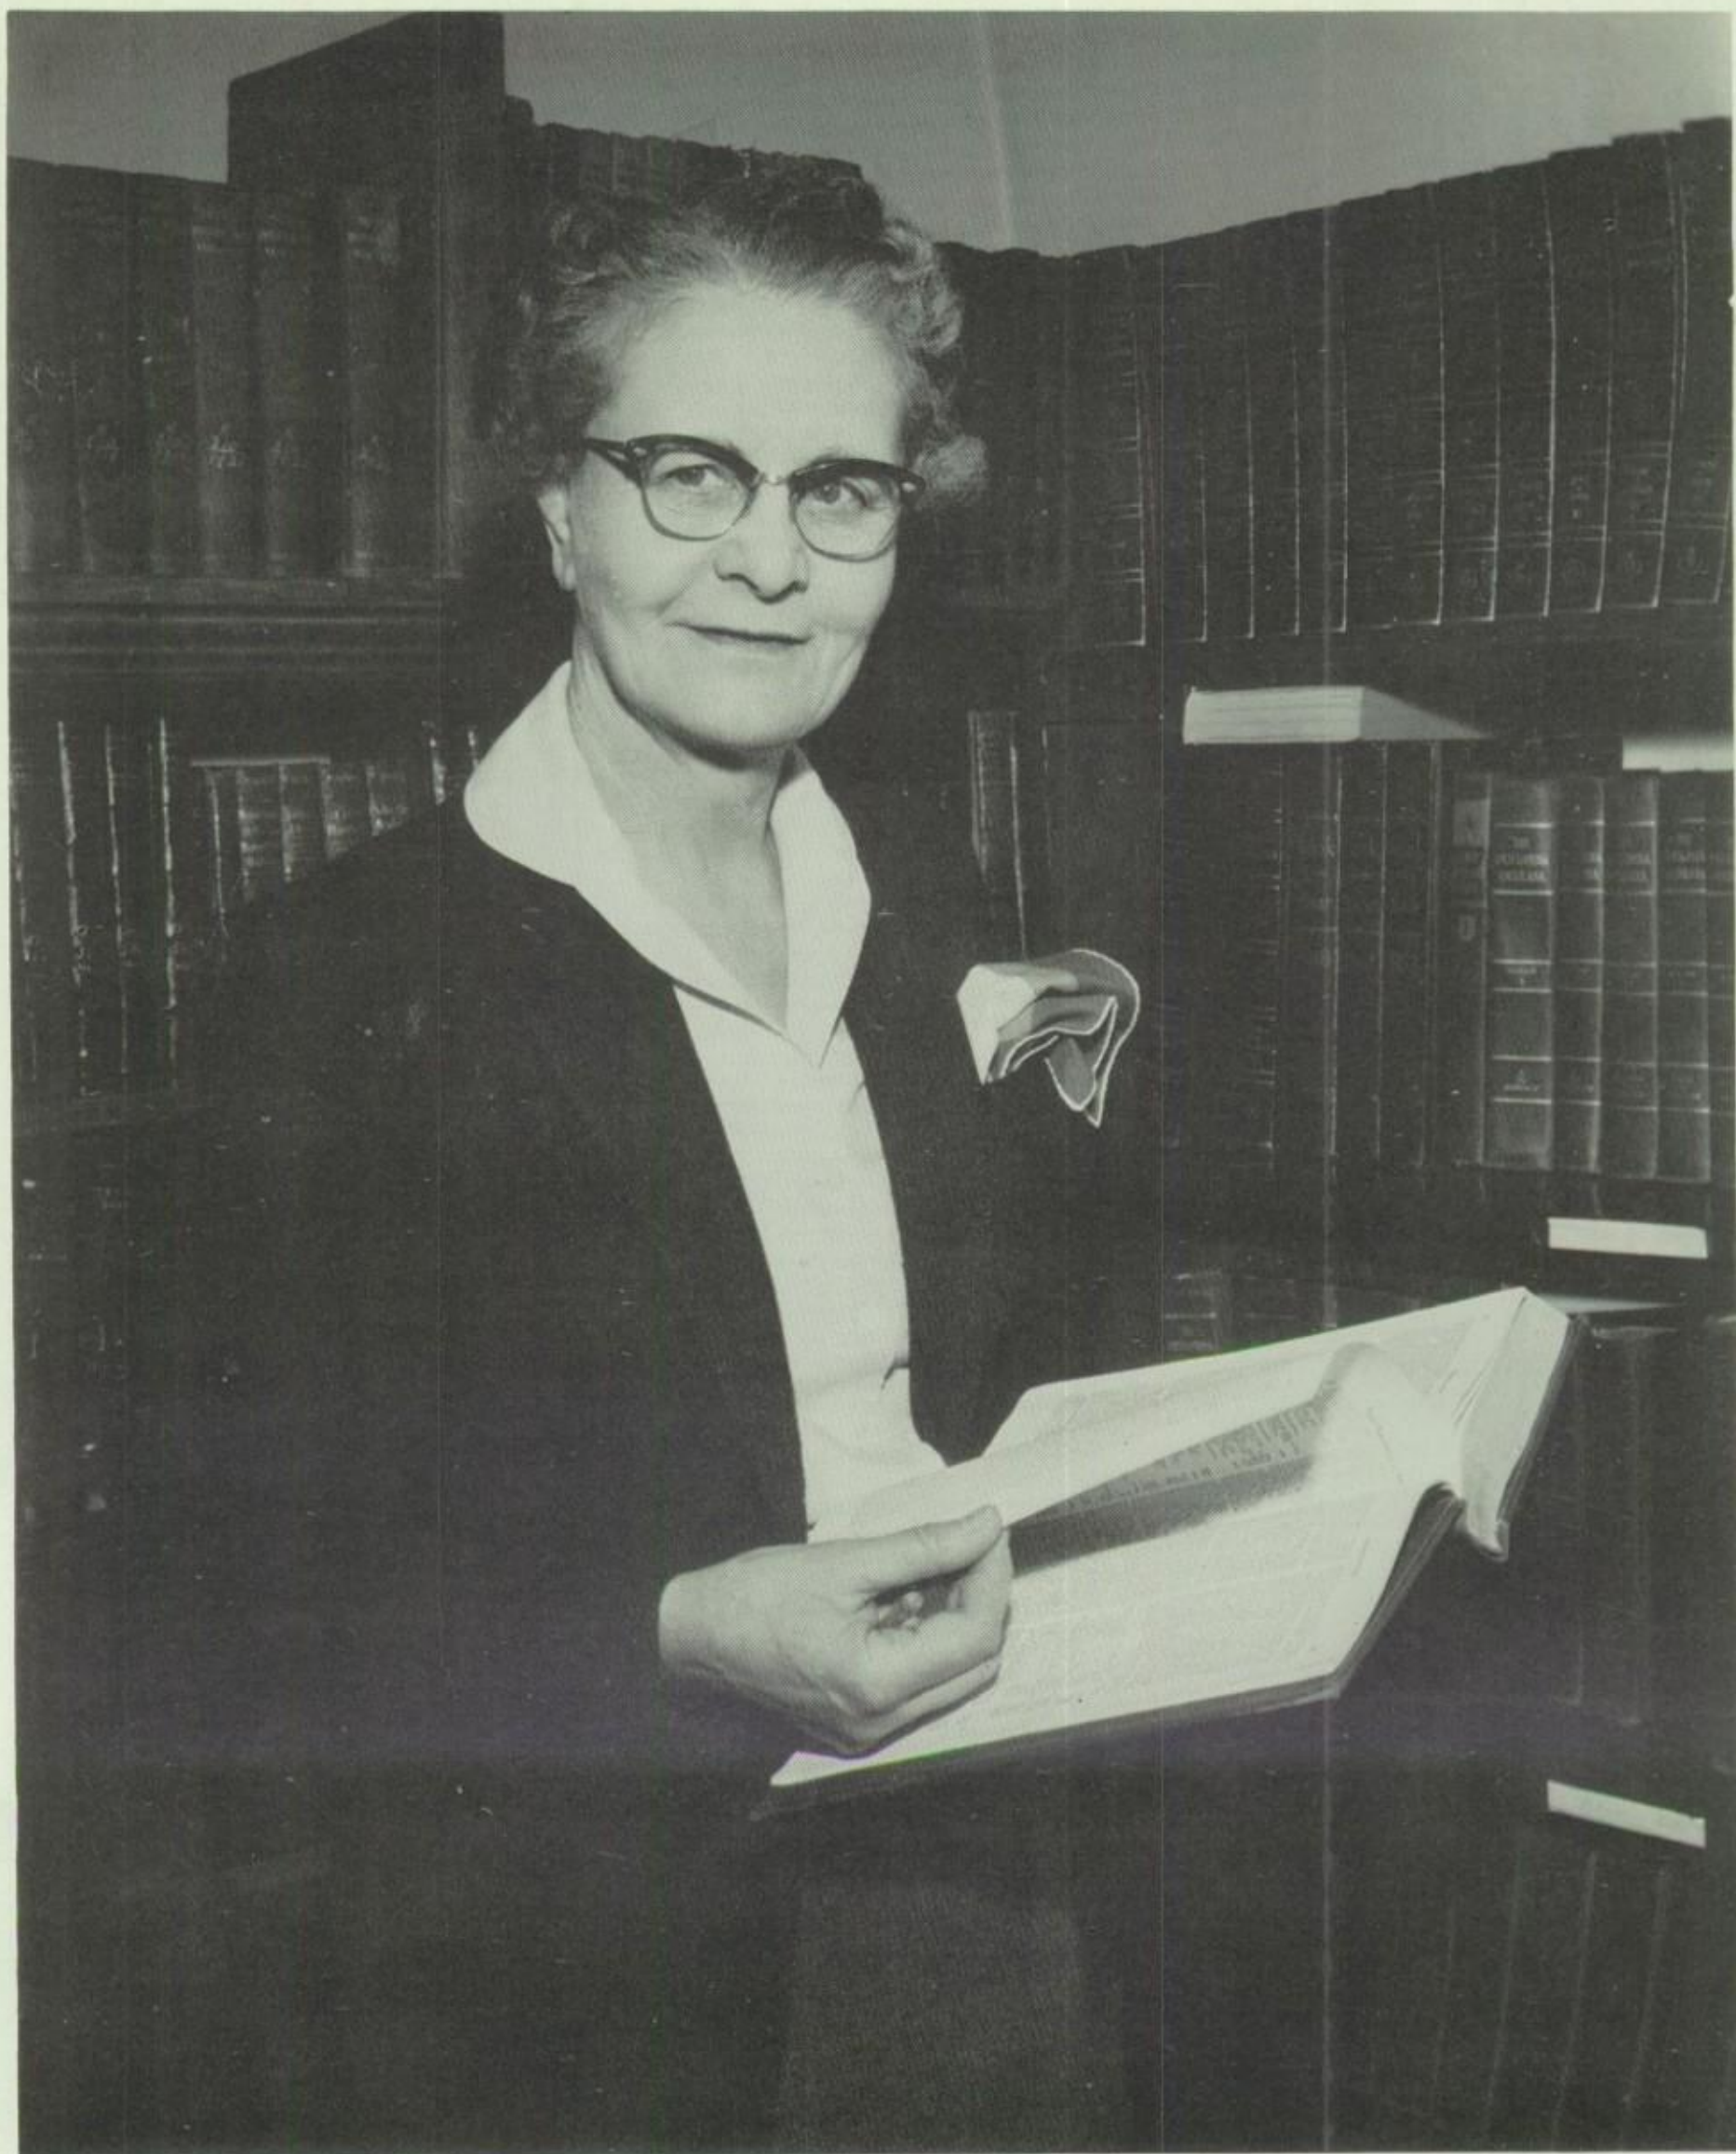

We the class of 1961 have tried to give a pictorial account of school days beginning through these doors. The Seniors are dreaming of the opportunities that will be available in the future beyond these doors. This alone challenges us to set our goals high, grasp opportunity, give service, and face life with hearts filled with courage and hope.

Editor

Delores Warcken

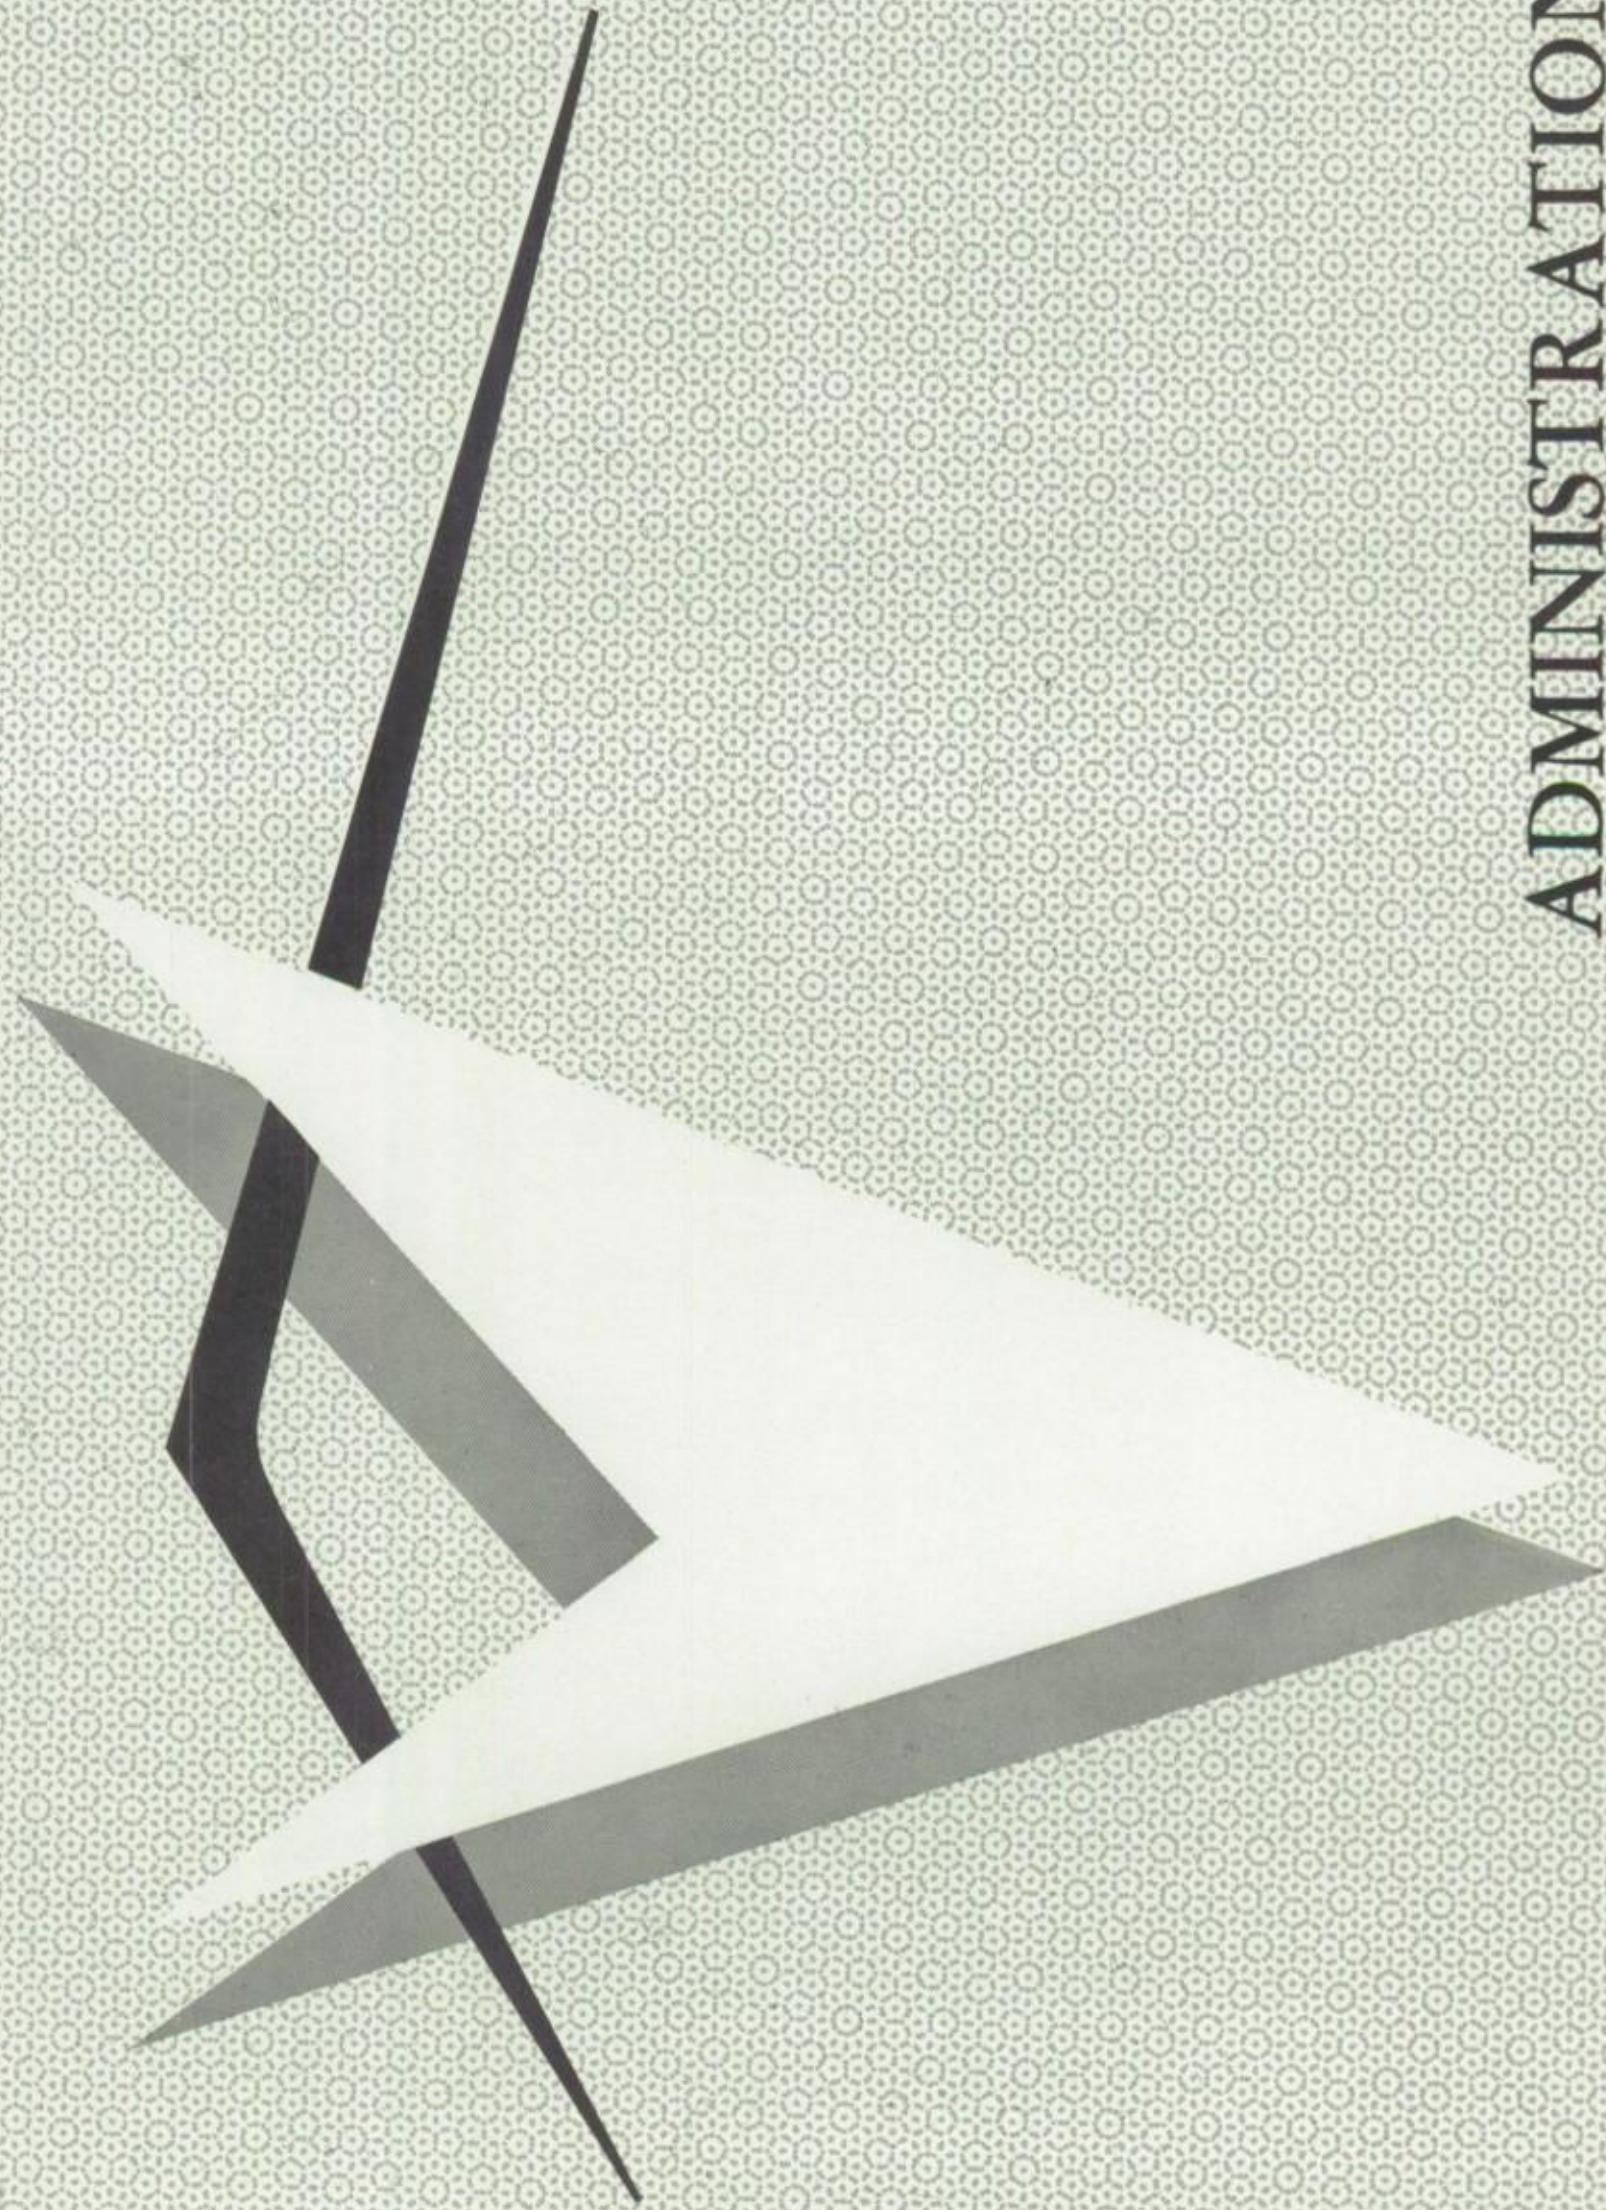

Asst. Editor

Rita Mahrer

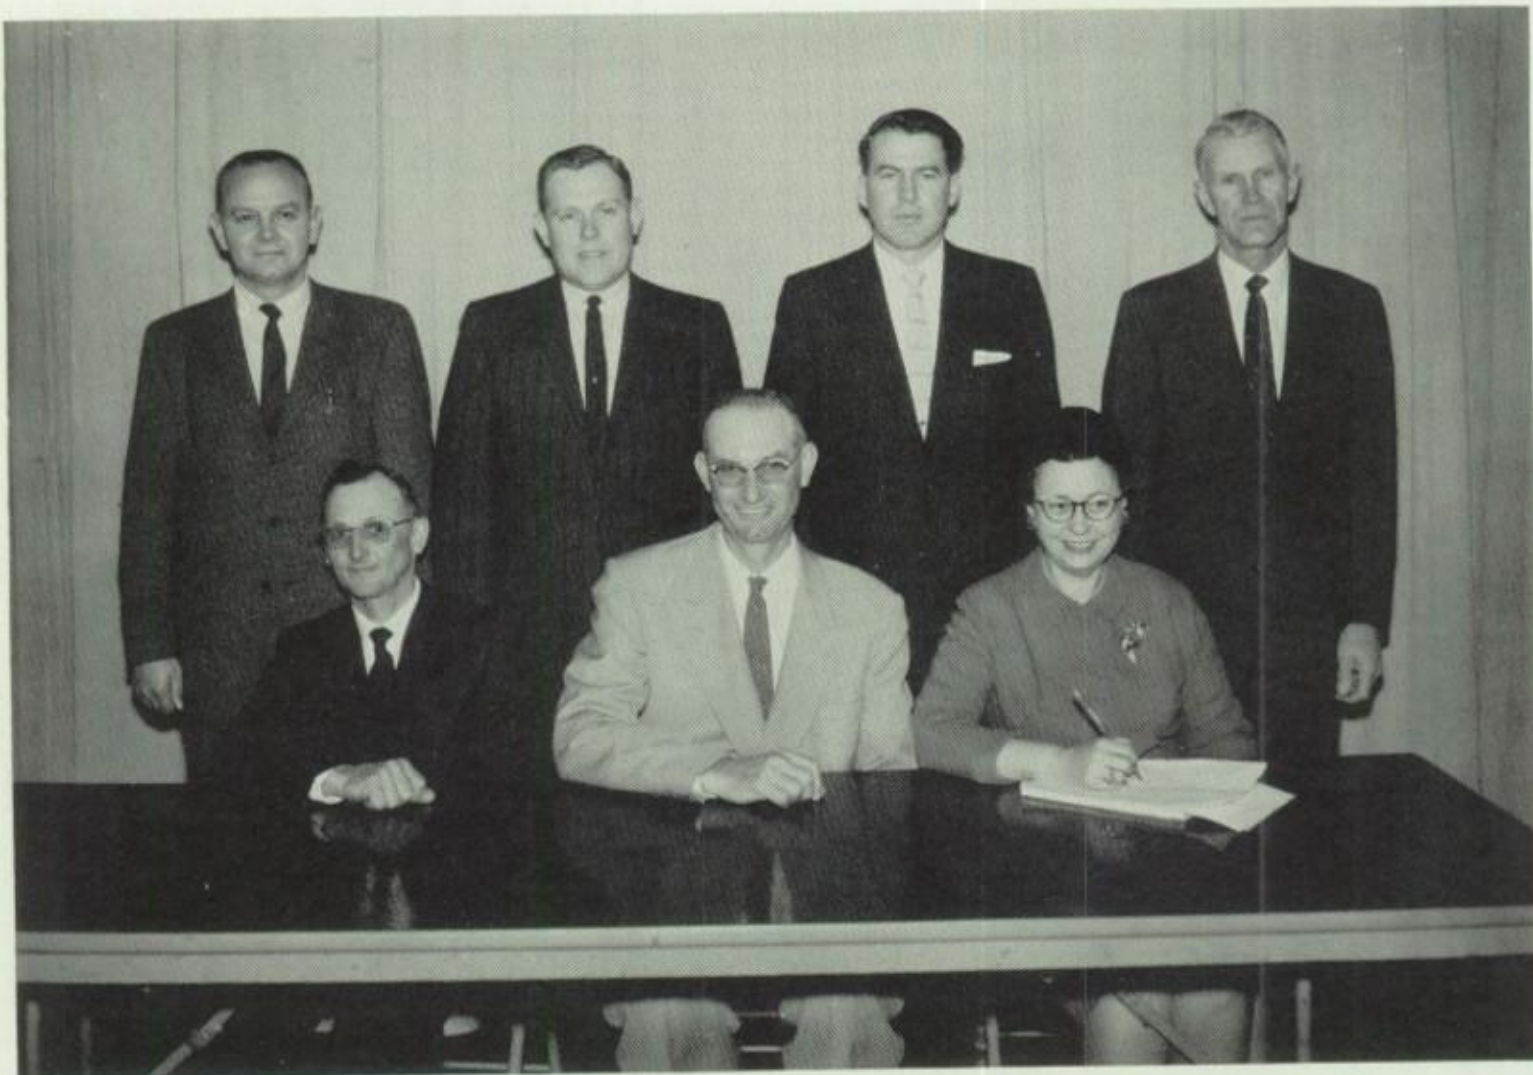

We sincerely dedicate this second volume of the Centralian to Miss Dyste, who has always been a most loyal friend and untiring worker for all students (and teachers) in our high school. We attribute much of the fine spirit existing in our school to her efforts. We feel others, who have been students of Miss Dyste and have felt that spirit through the many years of her faithful service, will join with us in dedicating this annual to one of the truly fine teachers of Sargent County.

AUTOGRAPHS

Young though we were when we entered these marble halls, we have found many precious things; friendship, knowledge, and happiness. We worked, we learned, we loved and we lived. We were challenged by our teachers, by our parents; and we shall continue to be challenged as we pass through these doors to begin the new life that lies beyond. We shall remember the understanding and guidance given to us by our teachers. Although we may be separated, our memories of CHS will linger on forever.
